- Institute of Technology of Cambodia
  Graduated in Information and Communication Engineering
- Learn many Courses in the web development field.
- Language
  - Khmer
  - English B1
  - France B1
  - Chiness A2

About Me

I am a highly motivated and aspiring software engineer, seeking a job opportunity to apply and further develop my skills. I am a good team worker and always eager to learn new skills to improve the projects I work on.

Work Experiences

- **Develop a Fixed Asset management system in ONE MORE internship (July-October 2024)**
  - Management System (Individual)
    - Developed a system for efficient asset management and report generation using React, TypeScript, Spring Boot, and MySQL.
    - Streamlined inventory management and facilitated easy data access for weekly, monthly, and annual reports.
    - Implemented user authentication and role-based access for Admin and Auditor accounts.

- **Develop a POS management system in Camcyber(Mar-Apr 2024)**
  - POS system (Individual Test and intergretion)
    - Conducted integration and QA testing for a POS management system.
    - Gained deep understanding of system functionalities during individual testing and integration phases.

- **Develop a Network Student school project (Feb-Mar 2023)**
  - Network Student App (Team)
    - Collaborated in a team to develop a Network Student App, focusing on requirement definition and UI design.
    - Gained deep expertise in Figma for UI/UX design and HTML for web development.

⭐ Skill and Expertise

Skill

- HTML/CSS/JS/Tailwind
- NodeJS/Laravel/Spring boot
- MySQL/MongoDB
- ReactJS/VueJs
- Git

Expertise

- API Development
- Web Design
- Performance Optimization
- Database Design
- Debugging and Solving Skills
- Development Practice

- **Develop a Library app school project (Jan-Mar** 2023)
  - ▶ Library management system (Team)
    - Focused on requirement analysis and designing user interfaces using JavaFX.
    - Utilized Java for application development and MySQL for database management.

- **Volunteer**
  - ▶ Spin off (Team Media)
  - ▶ Technon inovation(Team Organizer)
  - ▶ Culture Fest(Team Media in Youth Aseemply)
  - ▶ GIC Family(Team Media)
